

We have the opportunity to purchase the land at Seedle's Yard, on the corner of St James' Street and Brownlow Street. It has been a long-held desire of the church to own the land, and we envisage that eventually we would build some kind of space for community transformation there. We don't know what this space will look like, but first we must secure the purchase of the land in order to move forward with this.

We are aiming to raise £170,000 to cover the purchase of the land. If you are able to pledge towards the purchase, please complete this form.

*If you are a tax payer, please indicate so that we can reclaim an additional 25p on every £1 you give.*

*If you have already made a donation towards the purchase of Seedle's Yard, you do not need to record it on this form.*
